Bob:

Thanks again for your help in helping me to learn more about the obsolete bank note in the collection of the Carbondale Historical Society.

I am now working on an article for the April issue of the *Bridge Line Historical Society Bulletin* (the primary publication at the present time about the D&H titled "The D&H Bank, Fractional Currency, and Obsolete Bank Notes" (copy of draft attached).

I would appreciate it very much if you would read through this article to make sure that I have understood correctly what you told me about the financial instruments mentioned in the article.

Be assured that your continued help on this question will be much appreciated.

Sincerely,

Robert

Doc

Thank you very much for mentioning me in the article. It seems great to me, but let me forward it to Wendell Wolka and Robert Vandevender for their approval unless you have done so already. Let me know if you have.

Please be patient with Wendell and Robert. The Florida United Numismatists' January convention is this week and the Society of Paper Money Collectors has events during the FUN Show so they might be busy. I fly there on Tuesday.

Finally, Happy New Year.

Sincerely

Bob Graul
